Snow Camp

SNOW CAMP is Montreat's ten day retreat to Wheaton's Honey Rock Camp in Upper Wisconsin. The trip includes about 60 hours of riding in the MAC bus, cross country skiing, downhill skiing, snow shoeing, ice skating, broom ball, horse-back riding and great fellowship! Penny Nickel is the organizer/sponsor along with Jake and Sarah Wetzel and Jayne Isaacson, the two student leaders: Arlene Burns and Jane Andrews attempted to keep things together. We had 23 students on our venture and in the world of snow and ice!!

Instead, speaking the truth in love, we will in all things grow up into him who is the Head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.

Miss Virginia W. Buchanan arrived in Montreat during the summer of 1951 to begin her duties as Librarian at Montreat College. From that time until spring of 1979, she was part of the school, serving as Librarian until 1972, then as Assistant Dean of the College, Associate Dean, and for one year Acting Dean. It was under her guidance that the Nelson Bell Library was built, that the honor society Phi Theta Kappa was initiated on this campus, and that much of the institutional research of the College has been carried out. She has been a determined supporter of both the Christian basis for life and of academic excellence. As Miss Buchanan leaves MAC, we join in her expression of thanksgiving to God for the work that he enabled her to do at Montreat, and we wish her God speed in whatever He has for her to do in the coming years. Montreat-Anderson College is a better place because Virginia Buchanan has been here.

"WHAT A LIFE"

CALLING YOU FRIEND

I think about the days gone by, the fun and laughter we've shared,
the love, the joy, the sorrow; knowing that someone
but time and distance separate us now, yet the spirit of
friendship can keep us somehow,
together in memories until the end and I just want to say,
I enjoy calling you friend —

Walking together on paths we'll tread
and speaking of Jesus and the things He said —
learning to be men in our own separate ways,

the tests, the trials, the God-given days;
but we stuck together right through it all
and won the victory and learned to stand tall —
Now as you go your own way, our paths will rarely cross
but the years we have shared at Montreat will never be lost.

Keep in contact will you friend? Your kids I'd love to hold
and share with them some stories of memories I'll always hold.
Yes, keep in contact, I'll always enjoy
just calling you friend.
